Help your community run drugs out of town!

**WHO:** Students, teachers, moms, dads, sisters, brothers, friends, neighbors  
**WHAT:** We're raising funds for substance abuse prevention in Washoe County!  
**WHEN:** **Saturday, May 19, 2007**  
Registration at 8:30 a.m.  
Run starts at **9:30 a.m.**  
**WHERE:** Reno High School Track (Foster Field)

**WHY:** **The statistics for Washoe County students are alarming:**

- 1 in 20 middle school students has tried methamphetamine;
- 1 in 10 high school students has tried methamphetamine;
- 1 in 10 middle school students has tried marijuana;
- Almost half of high school students have tried marijuana.

**We want to help our youth make healthy choices.** We'd like to see Nevada and particularly Washoe County, give up its #1 ranking as one of the worst places in America for drug use and related problems.

**All money raised will directly impact the youth in Washoe County through substance abuse prevention programs in the schools and the community.**
